

EXPERIENCED PART II & NEWLY QUALIFIED ARCHITECTS AT

JONATHAN DOUGLAS ARCHITECTS

Contract type: Permanent

Hours: Full-time

Salary: Competitive

JDA is a young and friendly design led practice working with ambitious clients to create projects of merit inspired by local context and materiality.

We are seeking part II and newly qualified Architects with residential experience to join our team.

We have a number of exciting projects of varying scale and context at both design stage and on site. The Job role will offer a varied workload covering all stages of the RIBA Plan of Work. The successful applicant will be creatively minded, have residential built project experience and be able to demonstrate the following skills:

- Beautiful presentation with strong design and visualisation skills
- Strong project leadership and communication skills
- A history of successful job running and contract administration
- Knowledge of building technologies and statutory requirement compliance
- Aptitude for detailed drawing
- Desire for responsibility
- An eye for detail
- Proficiency in Microstation 2D, Rhino [vray] and Creative Suite preferred

Successful applicants will be able to work in a collaborative manner and contribute to the growth and character of the practice.

Please send your CV and examples of recent work by email [max 5MB] to info@jonathandouglasarchitects.com or in hard copy to the following address:
